The majestic sight of mountain desert tumbling into the cobalt-blue Pacific Ocean and Sea of Cortez will mesmerize you. Three distinctive hotel zones feature world-class beachfront resorts: lively Cabo San Lucas, laid-back San Jose del Cabo and, in between the two, Cabo's twenty-mile "resort corridor." Hyatt Ziva Los Cabos is located in San Jose del Cabo.

There are several world-class golf courses including Cabo del Sol and Palmilla. Los Cabos has over fifty miles of ocean and almost every resort is located on a stunning stretch of picturesque beaches. But because this is the Pacific, not all its beaches are swimmable due to swift currents and powerful waves. However, you'll find beaches nearby offering all manner of water sports including jet skiing, scuba diving, parasailing and surfing. If you feel up for a challenge, try reeling in a giant blue marlin on a chartered fishing boat in the marlin capital of the world! You'll want to conserve your energy though — Cabo San Lucas really heats up when the sun goes down. Dine out at a fabulous restaurant then hit any of the numerous clubs and you'll see why Cabo is famous for its nightlife as well as its incredible beaches.

April 9, 2020 onward	100% nonrefundable
The purchase of travel protection insurance will cover all of these penalties in the event you need to cancel.	

The aforementioned is person or room canceling (so if 1 person within the room cancels these same rules apply for that person). Regarding Airline tickets – if Beach Bum Vacation booked your tickets - they are 100% not refundable and subject to individual airline penalties/fees. Insurance covers these penalties for individuals making reservations within the group – if they have purchased insurance. Insurance does NOT cover the group contract as a whole, only individuals. If you do not have insurance – natural disasters (such as hurricanes), cancelations for ANY reason (medical/personal emergencies, cancelation of the wedding, etc.) do not relieve them from these penalties. ONLY the Travel Insurance will help with coverage.
