The prices are listed **PER PERSON** and vary depending on how many adults are sharing the room.

Single means one adult in a room by themselves, Double is for two adults sharing a room and triple would be for three guests sharing one room.

For example, the Deluxe Ocean View would be \$1,099 for a single adult to stay 4 days and 3 nights. If two adults share the room you would use the Double rate below and they would pay \$551 per person for the 4 day and 3 night stay. It is also per person for each extra night. Therefore, the single person would pay \$366 per night for each night added and the couple would pay \$184 per person and \$368 for each extra night.
