The aforementioned is person or room canceling (so if 1 person within the room cancels these same rules apply for that person). Regarding Airline tickets – if Beach Bum Vacation booked your tickets - they are 100% not refundable and subject to individual airline penalties/fees. Insurance covers these penalties for individuals making reservations within the group – if they have purchased insurance. Insurance does NOT cover the group contract, only individuals.

Group Reservations have different terms and cancellation policies than individual reservation. All reservations made within a group must comply with the stipulated cancellation policy agreed for each group.

If you do not have insurance – natural disasters (such as hurricanes), cancelations for ANY reason (medical/personal emergencies, cancelation of the wedding, etc.) do not relieve them from these penalties. ONLY the Travel Insurance will help with coverage.
